

Government  
Actuary's  
Department

**2019/20 PENSIONS DISCLOSURES**  
**GAD's expert service available to PCCs and FRAs**

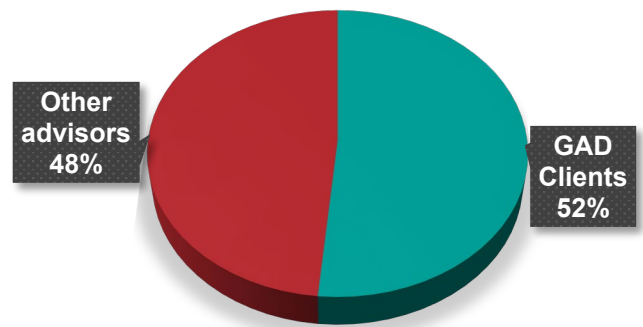

**Who we are**

The Government Actuary's Department (GAD) is a 'shared service' supplier to the UK public sector; our aim is to **deliver high quality actuarial advice and a high quality service**

For 2018/19 we **provided pension disclosures to more than half of the UK's PCCs and FRAs**

GAD has provided Police and Fire pension accounting disclosures for over 15 years

**UK PCCs and FRAs**

**Reasons for choosing GAD**

**Value for money** – we only charge to cover our costs – **costs from £5,000** in 2018/19\*

**Fixed fee** – no hidden surprises

**Quick turnaround** – disclosures by mid-April – express service available

**Reliable** – 100% of reports delivered on time for 2018/19

**Easy transition** – we already hold your membership data from the 2016 Valuation

\* Fees for 2019/20 have not been finalised but we do not expect them to be increased significantly, if at all.

**Client feedback**

**9/10** average client satisfaction

*“In tune with requirements”*

*“Easy to read and understand”*

*“No issues”*

*“Very professional”*

**100%** of clients surveyed would **use GAD again** and would **recommend our services**

**Interested?**
